

EMERIL LAGASSE

PASTA & BEYOND™

We know that life happens – whether it's accidents, power surges, or general wear and tear – so we developed our 6-Year Protection Plan to extend your 1-Year VIP Protection Plan coverage for an additional 6 years.

Here's how the 6-Year Protection Plan works. If you experience any trouble whatsoever with your Emeril Lagasse Pasta & Beyond within 6 years, simply give us a call at 1-800-941-9025 and we'll help you exchange your product for a new one (refer to the terms & conditions). When returning the product, you can use the original packaging or your own packaging. All we ask is that you cover the return shipping fee charged by the shipper you choose.

When returning the product, box up the product and include a note with your full name, address, city, state, zip, phone number, email, and the reason why you are returning the appliance. On the note, state that you want a replacement for the product.
