GOOEY CINNAMON BUNS

ADVANCED DIFFICULTY RECIPE

MAKES 20

INGREDIENTS

1 cup whole milk
¼ cup plus 2 tbsp. granulated sugar, divided

1 package (about 2 ¼ tsp.) active dry yeast

3 cups plus 2 tbsp. all-purpose flour, plus more for rolling out dough

½ tsp. salt

6 tbsp. unsalted butter, softened

1 large egg

½ cup raisins (optional)

1 tsp. vegetable oil

NUTTY FILLING

¾ cup packed light brown sugar

½ cup chopped walnuts

2 tsp. ground cinnamon

½ tsp. salt

12 tbsp. unsalted butter, melted

GLAZE

1 ½ cups powdered sugar

2 tbsp. whole milk

1 tsp. vanilla extract

DIRECTIONS

1. Add the milk to a small saucepan on the stove top. Heat the milk over medium-low heat until the milk is warm (about 110° F/43° C on an instant-read thermometer). Then, remove the milk from the heat.
2. In a small mixing bowl, combine 2 tbsp. granulated sugar and the yeast. Whisk in the warm milk and let rest until slightly thickened and foamy (about 5 minutes).
3. Sift the flour, ¼ cup granulated sugar, and ½ tsp. salt into a large mixing bowl. Add the softened butter, egg, raisins, and the yeast mixture. Stir well with a large wooden spoon to incorporate all the flour.
4. Sprinkle a work surface with 2 tbsp. flour. Place the dough on the work surface and knead until smooth and elastic (3–5 minutes). If the dough is sticky, add a bit more flour and continue kneading to work the flour into the dough. You can also mix the dough in an electric mixer fitted with a dough hook.

Place the rounds on the Baking Pan, leaving ½ inch between each round. Repeat the process with the second portion of dough and the rest of the filling. Cover the rounds with plastic wrap.

1 qt. ice cream sprinkles

DIRECTIONS

- 1.** In the bowl of a stand mixer, add the egg whites, vanilla, and cream of tartar. Use a lower speed to beat the egg whites until they start to thicken.
- 2.** Slowly add the sugar and beat until thick and very stiff.
- 3.** Dip a toothpick into the food coloring. Use the toothpick to swipe the food coloring from the tip of a piping bag to about 4 inches from the tip of the bag.
- 4.** Line the Baking Pan with parchment paper.
- 5.** Place about one quarter of the egg white mixture into the piping bag. Pipe circles of the egg white mixture onto the parchment paper, using different food coloring as desired. You should be able to fit eight cookies on the Baking Pan.
- 6.** Slide the Baking Pan into the appliance. Set the appliance to the Roast setting. Set the cooking temperature to 200° F/93° C. Let the appliance preheat.

MERINGUE ICE CREAM SANDWICHES

DIRECTIONS (CONTINUED)

7. When the appliance has preheated, bake the cookies until done (about 2 hours).
8. While the cookies bake, line a small baking sheet pan with parchment paper. Transfer the ice cream from its containers to the baking sheet pan and mold the ice cream into the baking sheet pan until the ice cream is about 1 ½ inches thick and square. Transfer the ice cream to the freezer.
9. When the cookies are done baking, remove the ice cream. Use a round cookie cutter the same size or smaller than the cookies to cut portions out of the ice cream.
10. Top a cookie with the ice cream rounds and then another cookie to make sandwiches. Roll the ice cream sandwich in your favorite sprinkles. Repeat until all the sandwiches have been made.
11. Serve the ice cream sandwiches immediately or freeze for later.
